About Imaginatik

Imaginatik is the leading provider of Innovation Management and Collective Intelligence solutions. Some of the world's leading companies use the Company's Idea Central software platform to identify and develop the important ideas and strategies that will drive the future of their business. For more than 10 years, Imaginatik has helped customers including CSC, Pfizer, Boeing, Chubb and Cargill achieve outstanding results with the experience of its consulting team and highly configurable web-based software.

Imaginatik is a public company traded on the London Stock Exchange [LSE:IMTK.L] and a World Economic Forum Technology Pioneer with offices in Boston, MA, and London, UK. Imaginatik is committed to ongoing research into the nature of human networks, innovation and collective intelligence. The Company collaborates with several academic institutions including the IXL Center at Hult International Business School.
