

Imaginatik PLC
("Imaginatik" or the "Company")
Share price movement

Imaginatik plc (AIM: IMTK.L), the #1 ranked leader in corporate innovation management according to Forrester Research, notes its share price movement and can confirm that it is in the latter stages of negotiations with VM AV Corporate Services Limited (an investment vehicle of Vin Murria) for a £500,000 loan to be issued to the Company subject to finalisation of standard documentation.

Vin Murria is also in discussions to make a controlling equity investment (the "Equity Investment") at a price of between 2.5 pence and 5 pence per Ordinary Share in the Company conditional on the Takeover Panel waiving the obligation for her to make a general offer for the Company under Rule 9 of the Takeover Code.

There can be no guarantee that any of the above agreements will proceed.

Should Vin Murria's Equity Investment be completed, and pursuant to Rule 22 of the AIM Rules for Nominated Advisers regarding conflicts of interest, finnCap will step down from their role as NOMAD with immediate effect as Vin Murria on the board of finnCap Ltd. It is envisaged that Vin will join the Board of Imaginatik, subject to regulatory checks.

Pursuant to Rule 1 of the AIM Rules, if the company does not appoint a replacement NOMAD upon the completion of the equity investment and finnCap's subsequent resignation, it will be suspended with immediate effect. The Company would then have one further month to appoint a replacement Nominated Adviser or else the admission of its AIM securities will be cancelled.

The Company is currently in discussions with a number of NOMAD firms with a view to announcing a replacement in due course.

A further announcement will be made at the appropriate time.
