Update regarding Nominated Adviser

Imaginatik plc (AIM: IMTK.L), the #1 ranked leader in corporate innovation management according to Forrester Research, announces that finnCap Ltd ("finnCap") has given notice in relation to acting as the Company's nominated adviser and such notice is due to expire on 26 September 2018. However, finnCap has indicated that it will continue to act as nominated adviser to the Company while the Company remains in active conversation with an investor (as announced on 25 July 2018) regarding taking a controlling equity stake in the Company.

Should finnCap cease to act as the Company's nominated adviser and the Company does not find a replacement nominated adviser, the Company's shares will be suspended with immediate effect. The Company would then have one further month to appoint a replacement nominated adviser or else the admission of its AIM securities will be cancelled.
